
Two Covers Add More Information

Paul H. Gault (#744)

Below are two covers that I recently acquired. Each adds some new user information.

D 27.5 - [DC]H/CO – Appears to be a user-confirming cover - return address is D. C. Heath & Co., Chicago, Illinois, which agrees with the pattern.

L66 - LDS - Additional user with advertisement for Pine Tree Silk Mills, Philadelphia, PA. Is there a connection between L. Dannenbaum Son & Company (also of Philadelphia) or is this only incidental use?
